Matthew 7: 24-29 - Built to Last

## What is God saying?

*Before you look at the questions, look at the Bible passage. What is God saying to you?*

## Questions

1. Do you feel that your faith is 'Built to Last'? What do you think that entails? - What are the key elements that will enable your / our Christian faith to last and be passed on to your family and the next generation, etc,?
2. As you have read the Bible passage and answered the question 'What is God saying to you?' share with someone else (in your household, online community etc.) what this is.
3. In this week's Bible message, Mick talks about 'moral and spiritual authority' and highlights a few examples. What do you think 'moral and spiritual authority' looks like in our nation/ church? How could we play our small part in building this up?

Please now pray for yourself, your family and our wonderful church!
