

It's the Defined Youth weekend away 2023!

This year we will be at Thornbridge Outdoors Friday 3rd to Sunday 5th February. (This is the weekend before half term.)

The Defined Youth Weekend Away is always an absolute highlight of the year.

It's a great opportunity for young people to build friendships, take a break from normal life and explore faith.

We've got all sorts lined-up including team challenges, a themed night, wide games, inspiring talks, plenty of free-time and campfires. (There will also be a quiet study space available for those with exam revision.)

Alongside the craziness, we'll be focussing in on God and his work in all our lives as we give young people opportunity to explore faith for themselves.

We are so excited!

The cost of the weekend is **£90 per person** to cover accommodation, food and activities. For families with multiple siblings, there is a discounted rate of **£60 for each additional sibling**.

- ***We recognise that this is a time of financial difficulty for many and we would not want any young person to be unable to attend due to cost.*** If this may be of relevance to you, we would like to offer support so please do get in contact with us, as reduced or delayed payments can be possible.
- ***If your young person is only available for part of the weekend,*** we would still love them to come! From past experience, even just attending part of the weekend is well worth it! Please complete the booking form and contact us before completing payment so that we can arrange a reduced booking cost.
